

Dear High School Senior Parent,

Class Act has been saving the lives of graduating seniors for dozens of years. The beautifully decorated, safe venue of the Class Act party, along with free food, entertainment and prizes have kept our graduates off the streets on graduation night. The graduates and Class Act workers have a blast!

Class Act party night requires financial and personal resources to be successful. If Class Act is to remain successful we need the help of parents. The fundraising, decorating and working on party night require more people than we currently have. We realize that many parents work and have other obligations and interests that take up their time. It is our hope is that Class Act will be an activity you would choose to devote time to. Our goal is to keep our graduating seniors safe on a potentially dangerous night.

Being on the Class Act General Board is fun and easy. We meet **every Monday** from 5:00 to 6:00 pm.

Some of the expectations are:

1. Help with fundraising by visiting people and businesses you may know.
2. Sign up to be on a committee that is an essential element of party night, i.e., food, dance contest, movie room, game room, casino, bingo, security room, just to name a few.
3. Plan to work all night on party night.
4. Commit to make this Class Act as successful as those in the past.

If your schedule does not allow you to make a **weekly** commitment, there are other opportunities to serve:

- Decoration workshops (Tuesdays / Thursdays 5:00-8:00);
- Set-up the week of Graduation;
- Clean-up the morning after (5:30 am)
- Serve in the Casino (all-night shift) on party night.

Please consider joining us. Call any of the members below. We really need your help keeping our graduates safe. You will have the time of your life!

Sincerely,

*Judi Waters*

Judi Waters, President  
885-3142 / 885-5715
