

Dear Friends,

Just a note to ask for your support of "Class Act 2011." As you may recall, this is a fantastic all-night celebration for our Carlsbad seniors and one guest each, in an effort to curb under-age drinking and partying on a traditionally dangerous graduation night.

Last year, the Class Act 2010 Board was proud to report to Carlsbad that because of the generous support of many local citizens and civic organizations, and businesses there were NO accidents, alcoholic parties, injuries or deaths involving youth reported on graduation night.

This is a new year and with it a new graduating class. CHS Graduation is scheduled for May 20th and wheels for Class Act 2011, *the 22nd annual*, are turning. All Carlsbad seniors from area schools – Faith Christian, Paradise Ranch (formerly Victory Christian Academy), Jefferson Montessori Academy, mid-term graduates, and home schooled – will be included. We're hoping that you will want to be a part of this great cause. While there are many worthwhile causes here in Carlsbad, few will serve such a large number of individuals. Your charitable contribution will directly touch approximately 500 kids (324 seniors and their guests)--a pretty good deal, wouldn't you agree?

A member of the Class Act Board will be contacting you in the near future, but in the next few days please consider making a contribution to the youth of Carlsbad. Checks may be mailed directly to Class Act at P.O. Box 2383, Carlsbad, NM 88221.

Sincerely,

Judi Waters
